Today's CO/CI class

First, we have chemistry,  
10:30 to 11:30

Second we have maths,  
11:30 to 12:30

third, after lunch we have. Physics,  
01:30 to 04:30 (maybe)

I don't know why it is three hour class. Maybe it's left class, I'm not sure. That's why I haven't sent it to the announcement channel. It's an informal message I am sharing. You guys don't. Don't take it serious about the physics class.....
